Create new user group in Highstage

Create new user group in Highstage

[Background](#)

[Configuration](#)

[User Guide](#)

Background

This article introduces Highstage administrators to the configuration and process of creating new Highstage user groups - directly from Highstage.

Configuration

Please refer to the [Configuration guide](#) for instructions on how to enable *create user group* capabilities directly in Highstage.

User Guide

Please refer to the [User Guide](#) for instructions on how to create new Highstage user groups - directly in Highstage.

Highstage
